

FRIENDS OF BIDWELL PARK

Bidwell Park is the heart of Chico. Not only does the park provide natural beauty for enjoyment and educational opportunities, it also makes Chico a great city to live in and visit.

The goals of Friends of Bidwell Park are to:

- Protect the natural qualities of Bidwell Park
- Encourage responsible park use
- Facilitate the development, funding and implementation of the Bidwell Park Master Management Plan
- Help educate the public about their natural environment and important issues regarding park management

Visit our Web Site at www.friendsofbidwellpark.org for park information such as:

- Calendar with dates and times for activities such as volunteer trail maintenance projects, non-native plant removal and oak/riparian restoration activities
- Bidwell Park and Playground Commission/Committee meeting dates and times
- Links to other organizations and businesses involved in recreational activities and special events in Bidwell Park
- Links to educational outreach programs in Bidwell Park and within the Big Chico Creek watershed
- Park related documents, maps, and history
